

KWS FARO

Key Features

- MEDIUM MATURITY
- GREAT STANDABILITY
- BEARDED
- HIGH YIELD POTENTIAL
- EXCELLENT TEST WEIGHT
- BIG STRAW YIELDS
- GREAT FOR DIRECT CUT

Overview

KWS Faro is a robust German barley variety. Produces big yield in both grain and silage. Excellent standability sets this variety apart in our region. A very unique looking beard type makes it easy to spot. Lancaster Seeds is proud to be the sole supplier of this variety in the Northeast.
